Bill -

We're on for 3pm today with SEPW staff. Pamela Janifer in OCIR is coordinating.

I have Dennis C. on tap to be the primary briefer, and based on Pamela's assessment of the lines of questioning, I also recommend that Cecil participate.

I agree. We need to have regional representation on the call to make sure the information provided is accurate and up to date. If there is a problem with the regional representation, please advise.

Thanks.

Good morning -

Our HQ counterparts are going to try to set up a briefing with Senator Inhofe's SEPW staff on Dimock. I'd love for Dennis to be on the call to answer questions.

We can discuss at our 8:30 check-in, but wanted to let you know we would likely be following up on the briefing request (which came in a week or so ago) sometime today.
